

## BRIDGING ISLAM AND EDUCATION

MSA Mentorship is designed for Muslim high school students (9<sup>th</sup>-12<sup>th</sup> graders) seeking a deeper understanding of the intersections of education, college life & admissions, and Islam.

The Texas chapter is led by students from Rice University.

### Motivate

We aim to tackle core problems in the Muslim community by creating a desire for success and raising our educational standard.

### Teach

Students learn and act upon: Essays, AP's, Interviews, Testing, Recommendations, the CommonApp, Scholarships, and more.

### Prepare

Students learn to balance a passion for life-long learning with consistent practice as they grow into the Muslim leaders of our future.
